Friday night...  
When everyone's out for dancing  
And the air...  
Is made for sweet romancing  
You're alone...  
Awaiting his call at the phone

Friday night...  
The radio is playing a love song  
And the dance...  
Together with blue like shadows  
Take a flight...  
To dreamland that's hoping for you  
A tomorrow secret no one ever knew

The fire of love  
Burning high  
In the wild night arms are dreaming  
The fire of love  
Close your eyes  
And you'll fly away to dreamland

There is love in the air  
There is love everywhere  
Cause you'll forget it  
You'll forget your heartbreak affair

Friday night...  
When anything means illusion  
And you feel...  
The magic of new emotion

You're alone...  
And suddenly you hear the phone  
But you let it ring...  
Cause you want more and more
