Get up, stand up, cause people it's a shame  
Dem say dem share your pain  
A when you check it out you stand alone in the rain

Verse 1:

Too good for dis ya time  
Feel a pain in me bending, me call me nah blind  
When me see dem a flex, politrix in dis ya time  
Dem haffi be a hippocrate fi get di next time  
Sacrifigation in justice an crime  
Me nuh the amoki me an(?), true love hard fi find  
The love amongst me friends, I feel me goldmine  
All praise ready, fi face, Jah wonders and signs  
It's a hard throw to chopple and a mighty long way to

With positive movements, a so we a grow  
Outa the bad an bless fit, ready fi rise up nuh  
You nah go see me rushy always a move slow  
Pon those long an sweet I lift meself an nah go stop try  
Me slow the wicked man because dem nah fi get da

Verse 2:

Dem leave you alone back on the backed feet,  
Drink champagn in dem tower while you bleed,  
You do the dirty work becau' dem all in a freeze  
Dem a want-monger, try fi bun peace  
With dem read it pon newspapers an Tvs,  
Spread real lies,  
Across the seven seas  
Brainwash education of they youths increase  
Whipe the tears atay your eyes, people, time fi see  
Babylon always will try fi abuse  
But we nah go step in a no wicked man shoes  
Got to mek certain independent moves

Dem chaos ina dem own system, dem ago lose  
Dem guns an cheeks sooner have no more use
