Chorus

What you really bargain for  
You nuh think about the children of tomorrow  
Tell me what you searching for  
You got to stay humble and Babylon it a crumble  
(Repeat)

Verse

I live my life as a humble man  
Nuh try fi do no wrong  
But all the good that I can  
I'm inspired by the higher one  
The only one  
And that is my tradition  
Gunshot round the corner it a echo a echo  
The cowboy over ya so with him lasso him lasso  
The rootsman over deh so nuh go leggo nuh leggo  
Know she that him life it couldn't go so

Chorus

Verse

I trod daily pon the frontline  
And I still see sign of memories left behind  
Keep my faith and I meditate  
I penetrate mount zion gate  
No matter what dem a do no matter what dem a say  
Me hafi keep moving on pon the righteous way  
No matter how dem a try spy  
I no matter how me keep moving on  
And bun dem system every day
