Capleton:

Ghetto youths a live it up live it up live it up live it up
Well righteousness uno fi big it up
Live it up live it up live it up live it up
We nuh have no time fi give it up
Live it up live it up live it up live it up
Righteousness uno fi big it up
Bigger judgement again well gentleman a say

Gentleman:

Say don't you take your life for granted
Jah give that live to you and fi you life that you a ramp
with
How your are takin advantage
Free up yourself and take yourself out of bandage
Learn aprichilove and not aprichihate
Anywhre we go a righteousness congregare
To the heart and soul of all human race
For every little thing ther's a time and a place

Chorus:

Live it up live it up live it up live it up
Righteousness uno fi big it up
Live it up live it up live it up
We nuh have no time fi give it up
Live it up live it up live it up live it up
The wicked man dem want fi frig it up
Live it up live it up live it up live it up

Bigger jugdement again da one ya name
Well live the life you love yeah and love the life you live
yeah everything you do remember always be positive
yeah well live a life of joy not a life of sarrow and
always prepare for a better tomorrow

Chorus:

Ghetto youths a live it up live it up live it up live it up
We nuh have no time fi give it up

Just live it up live it up live it up
Righteousness uno fi big it up
Live it up live it up live it up live it up
Well rastafari nuh go give it up
Live it up live it up live it up live it up

Bigger judgement again gentleman a say

Gentleman:

Go tell dem live a life of joy
Dem ready fi counteract
Me see seh dem nuh worth it cause dem conscience
hold dem back
I see you ready fi buss the glock
Are you the daddy of the mack
Jah send me wih a message say your livity fi stop your
so called livity no definity the words of jah we take it
bring it to infinity
Babylon can't limit we hour or minute we we choose a
reghteoss life and higher supremicy
Tell dem rastafari just a

Chorus:

Live it up live it up live it up live it up
Davidhouse nuh go give it up
Live it up live it up live it up live it up
Righteousness uno fi big it up
Just live it up live it up live it up live it up
The wickedman dem want fi frig it up
Live it up live it up live it up live it up

Bigger judgement again
Well guiltiness well it a beat ina dem brain like a drum
dem can't tek the fire wha capleton bun
The whole a dem a speechless me see seh dem a
dumb
Dem can't tek the words deh wha come out a me
tongue well wholepa ghetto youth get push down ina
the slum
Dem give dem too much coke give dem too much
opium wholepa big gun fi shoot who down
Dem diss emanuel the fire red
