[Intro]:

Meanwhile dem a plan
Jah a wipe out
We hold on firm and dem can't get we out
Noway
Me say dem can't get we out no-no

[Chorus]:

Dem coming to annihilite
Coming dem coming to tek over
Dem coming to eliminate
But righteous children never a go under

[Verse1]:

We view dem level see dem levels dem a devil
And dem can't come ya so fi mash up fi we heavens
Dem a throw dem stones and fling dem pebble
Bow down to dem systems
And a gwaan like dem a rebel
But we stop dem before dem go too far
What then we now who you are
Those meck ten what you have and a pair
A tag and a war and a blur and a bla

[Chorus]:

Dem coming to annihilite
Coming dem coming to tek over
Dem coming to eliminate
But righteous children never a go under

[Verse2]

Polition on their mission
Try fi mash up fi we vision
Continously no intermission with dem
Guns and all dem wars
Dem try fi create a division
We nuh go get tricked by dem religion
Ask dem how do you feel in those cages
How do you feel dat you will never live
To see certain stages
And all those books and those pages
You never read them

So you caught up in your riches and your rages

[Chorus]:

Dem coming to annihilate

Coming dem coming to tek over

Dem coming to eliminate

But righteous children never a go under
