While dem gloating in destructive sin

Obstacles down with you keep on moving

To reach mount zion  
You got to be made of the stuff

Some a dem convicious and red eyed - red eyed deh  
Grabillious man dem a go die - go die deh  
Some of wuk fi babywrong a spy - a spy deh  
Why don't you give Jah love a try - a try deh

It's like a neva turning ever burning fire  
In the enemies eyes - enemies eyes  
Rise above your standarts and behave as if ya did try  
As if you don't even try

Leaders a journey inna outta dem own self place  
Gentleman rebel a represent anotha case  
To see how much negativity we can now erase

The double standarts  
Of your way of life

Through the day and night

The weak will soon be strong  
The right will show the wrong  
Why can't we get along
