Intro:

Too much backbiting, too much senseless fighting  
Yuh nuh see seh a waste a energy?, purge out your  
animosity

Stay away stay away stay away with your rumours my  
brother

Stay away stay away stay away with your rumours my  
sister

Chorus:

Your rumors, that your spreading all over town

Your rumors, yuh a try to fight i down

Your rumors, i will never wear no frown

Your rumors

Room full all full and yuh can't get a spoon full

Lipservice from morning back to moonfull

Yuh want your youths and your seeds to be fruitful

Can't be deceiving and your life it hafi truthfull

Calling up me name only mek me get stronger

Dem never woulda know that me a go last longer

Fly through the gate and then me left dem a wonder

Dem and dem propaganda

Chorus (repeat)

What dem talk about i don't really care

I don't give much about the things that i hear

Rise and i shine and i take my share

Movin with jah and i have no fear

When the eden dem a com eme just shift me gear

Show dem a sign and tell dem can't drawn here

Ina me business dem want interfere

Nuh badda come compare

Chorus (repeat)

The one bagga lipservice we nuh ina it

Babylon me hope yuh heard dis we nuh ina it

None aunno can curve dis we nuh ina it

We nuh deh pon your third list is a winner dis

And what dat yuh confirming

Yuh can't twist jah jah neither can yuh turn him

And yuh will never stop the fire what is burning

Wee seek jah jah for a higher learning

Chorus (repeat)
