Why are you so ungrateful/  
You nuh see that Jah give we life after all/  
Check yourself before you wreck yourself/  
Me see that Jah Jah give we life after all/  
Still none a dem nuh give no thanks at all/  
Dem think dem a rise me see dem a fall/  
Fall dem a fall - fall dem a fall/  
Chorus:  
How long you want to go run away/  
Run away from yourself you nuh see that truth ago  
reveal/  
And every day you got to pray - well that you fi go do/  
And make your life one a the real/  
How you fi expect love and you still a glorifie the gun/  
How you want clarity if acoke you nuh stop bun/  
Your dirty lifestyle nuh give you no way to turn/  
You still nuh realize that you wrong/  
After you come out of your church you beat your  
babymother down/  
And then you tell her you're sorry but your head did full  
a rum/  
She couldn't tek your excuse and your flattering  
tongue/  
That's why she left you today and still a ask/  
Chorus:  
How long you want to go run away/  
Run away from yourself you nuh see that truth ago  
reveal/  
And every day you got to pray - well that you fi go do/  
And make your life one a the real/  
Dem say dem a the dolphin but me see dem a the  
shark/  
Dem stand ina the spotlight and live in the dark/  
Claim say dem grounded but me see dem a skylark/  
So to me dem can't talk/  
In this time and this ages man hafi be smart/  
Think before you talk and watch the road wha' you a  
walk/  
From you look ina your conscience you can't miss the  
mark/  
And make a joyful sound unto the Lord/  
Chorus:

How long you want to go run away/  
Run away from yourself you nuh see that truth ago  
reveal/  
And every day you got to pray - well that you fi go do/  
And make your life one a the real/  
Nuff a dem me see dem can teach/  
Dem hufi go back a school so a no me dem can teach/  
A fi dem dirty talk dem call it freedom of speech/  
Me wonder who dem try reach/  
Righteousness uno fi go check it/  
Golong and do some good ina Your life wickedness  
uno fileft it/  
Cleanheart always will make it/  
And from you see a chance ina your life/  
You better take it nuh reject it
