(Send me a prayer for my mama)  
To Jaja I say,  
Hear the words of his son lifting up voice today,  
(Send me a prayer)  
I know and I pray,  
Never will I go astray,

Me send a prayer to my mama today,  
(Mama)  
On my knees to the father I pray,  
(Send me this way)  
Guidance, protection everyday,  
(Oooh)

Send a prayer for my mama today,  
(Mama)  
On my knees to the father I pray,  
(Send me this way)  
Guidance, protection everyday,  
(Oooh)

Ina me ganga lee boots and ina me khaki suit,  
Yes I am a soldier and me seekin' da truth,  
Tramplin' the peagon ca' man hafi revolute,  
They try ta kick me from da plane,  
But cha' is ma parachute,

I am, I a stone that da builda refuse,  
Na gon walk dem walk, na step ina dem shoes,  
Nuttin' lef ta win and there is nuttin lef ta lose,  
Down in Babylon, da whole a dem confuse,

Me goesa den,

Me send a prayer to my mama today,  
(Mama)  
On my knees to the father I pray,  
(Send me this way)  
Guidance, protection everyday,  
(Oooh)

Send a prayer for my mama today,

(Mama)  
On my knees to the father I pray,

What you gonna reap is exactly what you sow,  
Trodding Mount Zion only one way to go,  
Life it a no tea ta toe,

(\*If ya believe)

So me now gon' sit down, na gon' waste no time,  
Na gon' make dem brainwash control my mind,  
As far as I man know, man a king from ancient, long  
time,  
Ya can't pop we off from de vine,

Me goesa den,

Me send a prayer to my mama today,  
(Mama)  
On my knees to the father I pray,  
(Send me this way)  
Guidance, protection everyday,

It keep we steady now, if you na ready now

One step, come we hold a meddy (melody) now,  
Two step, bald head and dready now,

(Mama)  
On my knees to the father I pray,  
(Send me this way)  
Guidance, protection everyday,  
(Oohh)
