Free yourself from pain and misery  
Look at the sheer majesty of the mountain scenery  
Just look around and tek some time  
Open up your eyes and don't be blind  
And you will see that Jah Jah love is so devine

Yuh think about the problems wha surround yuh  
Then yuh sit down wonder what yuh gonna do  
Think about Jah Jah him yuh fi ask fa  
And yuh will prosper  
Yuh think about the journey that you've been through  
And the prosperity around you  
Leave it up to Jah oh mighty Jah Jah

Chorus:

When Jah Jah is calling  
Cause your teardrops keep falling  
Answer his call, you will weary no more

In each and every way  
We must watch and pray  
Giving thanks for such a lovely day

But there are those who play  
In some corrupted ways  
Forgetting that for sin we pay

Like Jesus fast  
And Moses cross  
The red sea protected by the boss

Let tribulation pass  
Injustice never last  
You Mr. Jury don't you judge too fast

Without Jah it nuh make sense you depend upon your  
jinx-sing  
Never ago make it if you worship your bling bling  
Forget about Jah and a gwaan like you kingpin  
And nuh know seh that your ship is sinking  
Look how you burning but you soon hafi go cool

Every day you drinking from the bloody pool  
Conscience is the different between wise and fool  
You never heard about dis ya golden rule

Chorus

Weary likkle one  
Dry your tears erase your fears  
Jah is knocking on your door  
They may let you down  
Throw you pon the ground  
Better tomorrow will come for sure

You've got to remember  
Jah Jah love will never get you down  
So don't you surrender  
Live your life on a higher ground

Chorus
