The only time I drink a 40
Is when I wanna drink a 40
And usually when I wear a suit
I leave with not one but two
I'm not trying to hurt nobody
Ã¢â€ŒYou only live onceÃ¢â€Œ, they told me
You can't be mad at me
I can just be G

Even though I got my own CD
Maybe even on TV
There ain't no changing me
I can only be me, me, me
Even though I might be on TV
'Cause I got my own CD
All you will ever see, same ol' G

I used to be the main one clubbing
But now I choose to stay at home
Most of my friends still thugging
This time the G's full grown
I'm thinking 'bout my future lately
Whatever that may be
But now it's clear to me
I can just be G

Even though I got my own CD
Maybe even on TV
There ain't no changing me
I can only be me, me, me
Even though I might be on TV
'Cause I got my own CD
All you will ever see, same ol' G

Hello, y'all
Yeah, this that Timbaland, coming to ya one mo' 'gain
You see, people say that we're changing
But really it's the people around us that are changing
You see, we ain't tryna hurt nobody
People tryna hurt us but you know what
I'ma keep being me, that's all I can do in this life time
(Check it)

Day after day, I continue to be
Me, oh, me, that's all I can be
Ooh, day after day
I continue to be me, oh, me
(That)
Same ol' G

Even though I got my own CD
Maybe even on TV
There ain't no changing me
I can only be me, me, me
Even though I might be on TV
'Cause I got my own CD
All you will ever see, same ol' G

Even though I got my own CD
Maybe even on TV
There ain't no changing me
I can only be me, me, me
Even though I might be on TV
'Cause I got my own CD
All you will ever see, same ol' G

Even though I got my own CD
Maybe even on TV
There ain't no changing me
I can only be me, me, me
Even though I might be on TV
'Cause I got my own CD
All you will ever see, same ol' G
