Forty pairs of little eyes
Stared into this heart of mine
A memory burned inside my soul
One that never has let go

I've looked into the face of me
And the least of these stared back at me
I was unprepared and overwhelmed
With little time and much to tell

Chorus
I've seen Jesus
standing all alone
I've seen Jesus
he was young and he was old
I've seen Jesus
in the eyes of all his daughters and sons
Every single one

In a world away from luxury
Is where I found prosperity
Where greater love laid down his life
For the orphaned and the widowed wife

Chorus

Every single one

Every o-o-o-o-one

I found Jesus
he's living with the poor
I found Jesus
but he's easy to ignore
Jesus, in the eyes of all his daughters and sons

I found Jesus
He's standing all alone
I found Jesus
he is young and he is old
I found Jesus

in the eyes of all his daughters and sons
Every single one(x4)
