I set out on a narrow way many years ago
Hoping I would find true love
Along the broken road
But I got lost a time or two
I wiped my brow and kept pushing through
I couldn't see how every sign pointed straight to You
That every long lost dream
Led me to where You are
Others who broke my heart
They were like northern stars
Pointing me on my way
Into Your loving arms
This much I know is true
That God blessed the broken road
That led me straight to You
I think about the years I spent just passing through
I'd like to have the time I lost
And give it back to you
But You just smile and take my hand
You've been there and You understand
It's all part of a grander plan

That is coming true
That every long lost dream
Led me to where You are
Others who broke my heart
They were like northern stars
Pointing me on my way
Into Your loving arms
This much I know is true
That God blessed the broken road
That led me straight to You
Now i'm just rolling home into your loving arms
This much I know is true
That God blessed the broken road
That led me straight to You
