There is a torch, there is a flame
Symbols of the greatest games
To be the best To win it all
To hear them play our country's song
And see our banner wave
Like the sweat that drips from me
And all the years of my training
Symbols of a greater goal
Faithful to a higher call
And if I stumble and the pain of defeat
Or if I finish strong and taste sweet victory
Chorus
Together
We have come to believe
Together
That when the flame is gone we want the world to know
That we have come seeking more than gold

Pressing for the finish line
In this race to qualify
Some have come in search of fame
But we compete in Jesus' name
When we finish strong and taste sweet victory
Or when we stumble and know the pain of defeat

Chorus

Together
We have come to believe
Together
That when the flame is gone we want the world to know
That we have come seeking more than gold
