A cross on a chain  
Or a thunder cloud rolling  
A Bible in a hotel room  
Or lights on an evergreen

Tombstones on the hillside  
Or a little child laughing  
Just to name a few  
Reminders of You

Chorus  
You abide in me, my hope (my hope) my Lord (my  
Lord)  
And I will not forget Your name  
Please keep sending me  
Reminders of You

A table set for twelve  
Or a northern star shining  
A lazy Sunday afternoon  
Or a cool mountain stream

A piece of bread with red wine  
A December snow falling  
Just to name a few  
Reminders of You.

Chorus X 2

Keeping sending me (reminders) X 3
