(Chorus)

When I listen to You, That's when I learn
Of Your love for me, and Your longing to lead
Me through every turn
So I'll go with You to a quiet place
Where Your heart can be heard
And I will listen to You
I will listen and learn

(Verse 1)

Seems my life is filled with so many words
Always doing my very best to be heard
And I've been quick to tell You
What I think You should do
But what I really need the most
Is just the hear from You

(Repeat Chorus)

(Verse 2)

Listening isn't easy, listening can be hard
It tears at the defenses
Of words that guard our hearts
Though it may be hard to hear
I'll put aside my words
And wait to hear from You

(Repeat Chorus)

(Bridge)

I will wait for You in silence
I will wait to learn from You
Please meet me in this quiet moment
And whisper Your words of truth

(Chorus)

When I listen to You, That's when I learn
Of Your love for me, and Your longing to lead
Me through every turn
So I'll go with You to a quiet place
Where Your heart can be heard

And I will listen to You
And I'll go with You to a quiet place
Where Your heart can be heard
And I'll listen to You
And I'll learn from You
I will listen and learn
