(Verse one)

I am high above the timberline  
Where the sky and mountains meet  
Up where the air is very thin  
Somehow it's easier to breathe  
Like the wind in the canyon echoing  
The spirit is calling me whispering

(Chorus)

Out here  
In the wild and the wonder  
Where the lightning and the thunder  
Serve a great awakening  
Out here

Where the one who did the making  
Is still in me creating  
A place where I am free  
I can hear  
I can breathe  
I believe  
Out here

(Verse two)

I am knee deep in the caos  
Of another crazy day  
Its me and all the other rats  
Just trying to stay in the race  
I close my eyes and I try listening  
And I find the spirit is still calling me

(Chorus 2x)

Out here  
In the wild and the wonder  
Where the lightnig and the thunder  
Serve a great awakening  
Out here

Where the one who did the making  
Is still in me creating  
A place where I am free  
I can hear

I can breathe  
I believe  
Out here
