Verse One

Today I Got Your Letter
The One You Said I Never Would Read
And It Seems You've Been Through Some Weather
And You Feel Like Surrendering

Before You Commit The Crime
Before You Abandon Your Dreams
Take A Look, How The Hardest Of Times
Will Drive You To Your Knees
The Very Place You Needed To Be

Chorus

Were You Can Hold,
Hold On And Let The Wind Blow
Hold, Hold On

Verse Two

Well I Know It Sounds Too Simple
But I Beg You, Don't Be Confused
Many Times It's In The Simple
That We Find The Home Of The Truth
That We Find The Home Of The Truth

And The Truth Would Say To

Chorus

Hold,
Hold On And Let The Wind Blow
Hold, Hold On
When The World Says Let Go
Hold, Hold On
When You Feel Like Letting Go
Hold On

Bridge

And When Your Hand Starts To Slip
And When You're Losing Your Grip
And When You Know Your Hope Is Gone
You're Not The Only One Holding On

Verse Three

Today, I Got Your Letter
I Was Moved By Your Honesty
And I Know You've Been Through Some Weather
Let It Drive You To Your Knees
The Very Place We Need To Be.
