I see you looking at me
and im looking at you back
so won't you show me what you got
before i call the cab
i see you lookin all hot and shit
bad and shit
tell me if i were your treat
would you be my tri-i-i-ck?

i see you lookin like you have an appetite
so won't you come over here,
and take a bite baby?

turn me on
and i'll turn you on
turn me on
and i'll turn you on
turn me on
and i'll turn you on
turn me on
and i'll...

it's everything you hate to love
everything you love to hate
it's straight-up
superfabulust
it's everything you hate to love
everything you love to hate
it's straight-up
superfabulust
superfabulust

you got the look,
you got the look,
and it's making me so bad
you got the look,
you got the look,
and it's making me.

you got the look,
you got the look,

and it's making me so bad
you got the look,
you got the look,
and it's making me. (straight-up)

i see you standin with your pussycat attitude
i see you trippin on my glamour and you want me to,
rock your body
and treat you like im naughty
and get you in the backseat,
slap you to this beat baby.
i see you lookin at me up and down
up and down
up and down

so check me out
and i'll check you out.
check me out
and i'll check you out.
check me out
and i'll check you out.
check me out
and i'll...

it's everything you hate to love
everything you love to hate
it's straight-up
superfabulust
it's everything you hate to love
everything you love to hate
it's straight-up
superfabulust

superfabulust

you got the look,
you got the look,
and it's making me so bad
you got the look,
you got the look,
and it's making me.

you got the look,
you got the look,
and it's making me so bad
you got the look,
you got the look,
and it's making me. (straight-up)
