I can't take your fucking faces.  
Cut one head off two grow in it's place.  
The laughter and self worth,  
Walking garbage all alone on the earth.

Now you're a christian,  
Now she's a beauty queen.  
I hope you die together.  
Your lives are jokes to me.

You are not a hero  
You are not a martyr

If I believed in god  
I would call you the antichrist

You are not a hero  
You are not a martyr

OH

The hills have eyes  
Your life is a lie x2  
The world will celebrate  
Your fall from grace  
Half the world wants to  
Spit in your face x2

You're not a 10  
You're 5 plus 20 grand  
Paris fucking Hilton wants you dead  
Enough said

Now you're a christian  
Now she's a beauty queen  
I hope you die together  
Your lives are jokes to me

The hills have eyes  
Your life is a lie x3
