Mirror of Venus never far,
Cause I have never seen your face.
A mariner carried by a star,
With no regard for time or place.

Ahhhh hhhhhaa...
Ahhhh hhhhhaa...

Architectural regret,
That is a book I'd never write.
A hero builds a minaret,
And from it I'm calling out tonight.

Ahhhh hhhhhaa...
Ahhhh hhhhhaa...

I'll go wherever you go, mirror of... (Ohh!)
I'll go wherever you go, mirror of... (Ohh!)
I'll go wherever you go, mirror of Venus

Ahhhh hhhhhaa...
Ahhhh hhhhhaa...
Ahhhh hhhhhaa...
Ahhhh hhhhhaa...
Ahhhh hhhhhaa...
Yeah!

I'll go wherever you go, mirror of... (Ohh!)
I'll go wherever you go, mirror of... (Ohh!)
I'll go wherever you go, mirror of Venus
