Presently, future is in the middle of a love triangle
With calamity, and me in the corner I'm starting to feel
uncomfortable
Should I douse the spark or fan the flames or merely
think of clever things to say?
Oh the more I try to separate, the better it feels to get
right in the way

And I try so hard
Out of the way
Of that
Runaway train
Oh how
I do love the rain
Ohhhhhhh

Seems to be, that being in the middle is starting to get
me in trouble
Try to run away, but they have a talent for making
trouble seem enjoyable
Oh the more I try to separate, the better it feels to get
right in the way
Should I douse the spark or fan the flames or merely
think of clever things to say?

And I try so hard
Out of the way
Of that
Runaway train
Oh how
I do love the rain
Oh
Ohhh Ohhh Ohhh
Ohhh Ohhh Ohhh

Runaway train(3)
Oh

And I try so hard
Out of the way
Of that
Runaway train

Oh how
I do love the rain
Ohhhh

Runaway train (X3)
