So, here I go again, I want to say no for the upteenth
time
the reins, they're slipping out of my reach
I'm trying to enjoy this ride, if just a little while
I know I'm such a lucky girl, but too much I try
I want to stop a while, step out of the frame
And see with a different lens what I can't clearly see
CHORUS: And I'm falling inside, I'm wanting to escape
from this mess I'm in
I'm wanting to, I'm falling inside, falling inside
What we never thought has come
The others seem to play too big a part
The sweeteners soon sour and I crave to taste
The fresh new air and breathe again, alone again
CHORUS: And I'm falling inside, I'm wanting to escape
this mess I'm in
I'm wanting to, I'm falling inside, falling inside
BRIDGE: So here I go, I try to explain
Just find myself in circles again
So here we go, we try to explain
Just find ourselves in circles again
So, here I go again, even lucky girl get the blues
But I'm loving this ride when I see full view
And we're all here again, alone again
CHORUS: And I'm falling inside, I'm wanting to escape
this mess I'm in
I'm wanting to, I'm falling inside, falling inside
