Why didn't I listen to my heart
When she had me guessin from the start
More and more I wonder, why do I still want her
After all the love I gave to you
All this pain and all because of you

(CHORUS)

What am I supposed to do when it's all a lie
Where am I supposed to go when it's dark outside
What am I supposed to do when it's all a lie
Lie to me(x5)
Lie to me one last time

Still have those letter's from last fall
And every time the phone ring's
Wish it was your call
More and more I wonder, why do I still want her
After all the love I gave to you
All this pain im in because of you, you, you, you, you,
you

(CHORUS)

What am I supposed to do when it's all a lie
Where am I supposed to go when it's dark outside
What am I supposed to do when it's all a lie
Lie to me(x5)
Lie to me one last time

Why did you have to hide (to hide)
Loved you for all your lies (your lies)
One thing I know is true
I'll never stop loving you
Loving you
So tell me

(Chorus)

What am I supposed to do when it's all a lie
Where am I supposed to go when it's dark outside
What am I supposed to do when it's all a lie
Won't you lie to me, lie to me baby
Lie to me, lie to me baby

Lie to me baby
One last time
