Wanna Show U Things

You Ain't Never Seen Before

Girl I Hear You Crying

Crying Out For More

[chorus:]

Talk To Me, Talk To Me

Am I Doing This Right?

Talk To Me, Talk To Me

Are U Feelin Alright?

I've Been Waiting For This My Whole Life

And Here You Are Tonite

I've Been Waiting For This My Whole Life

And I Can See It In Your Eyes

Are U Ready To Stay Up All Night?

To See The Morning Light?

I've Been Waiting

And Waiting

And Waiting

My Whole Life...

[verse 2:]

So Now Here We Are

Turn The Lights Down Low

Or We Can Go Fast

Or Should I Go Slow?

I Wanna Kiss Your Lips

Is That Okay?

I'm That Guy, I'm That Guy Baby

You'll Be Callin' On My Name

Sing It To Me Now

[chorus:]

Talk To Me, Talk To Me

Am I Doing This Right?

Talk To Me, Talk To Me

Are U Feelin Alright?

I've Been Waiting For This My Whole Life

And Here You Are Tonite

I've Been Waiting For This My Whole Life

And I Can See It In Your Eyes

Are U Ready To Stay Up All Night?

To See The Morning Light?

I've Been Waiting

And Waiting

And Waiting

My Whole Life...

[bridge:]
