So you want
To be free
To live your life
the way you wanna be
Will we give
If we try
Will we live or will we die

Tainted hearts
heal with time
shoot that love
so we can stop the beating

Solitary brother

is there still a part of you that wants to live
solitary sister
is there still a part of you that want to give
REPEAT
Racism in amongst future kings can only lead to no
good
besides, all our sons and daughters already know how
that feels, yeah
Love, love, love

I,m sure i,ve missed a bit out but thats most of it
