Freedom flight fancy,
Fresh home, love feeling
Escape, truth, happiness
Dreaming and knowing
I've got to keep the flow
I'm ready to know, about magnolia
Focus on the garbage art
News of a shock tremor
Long may be due
Don't let them try and change you
'Cause they only want to own you
Don't let them try and change you
For you are beautiful
Ageless beauty
I know your feeling
Love is, this is our time
To break through, this madness
Absolutely blown away
What do we have to say?
What are we looking for?
How do we escape the
Indescribable truth that is so real?
Stranger than fiction
Don't let them try and change you
'Cause they'll only want to own you
Don't let them try and change you
For you are beautiful
I hope you find, everything you're looking for
I hope you find, happiness outside your door
And everytime, that you fall down on your knees
Is just a part of everything you need to see
Don't let them try and change you
'Cause they only want to own you
Don't let them try and change you
For you are beautiful
