So, here I go again, I want to say no for the upteenth  
time  
the reins, they're slipping out of my reach  
I'm trying to enjoy this ride, if just a little while  
I know I'm such a lucky girl, but too much I try  
I want to stop a while, step out of the frame  
And see with a different lens what I can't clearly see  
CHORUS: And I'm falling inside, I'm wanting to escape  
from this mess I'm in  
I'm wanting to, I'm falling inside, falling inside  
What we never thought has come  
The others seem to play too big a part  
The sweeteners soon sour and I crave to taste  
The fresh new air and breathe again, alone again  
CHORUS: And I'm falling inside, I'm wanting to escape  
this mess I'm in  
I'm wanting to, I'm falling inside, falling inside  
BRIDGE: So here I go, I try to explain  
Just find myself in circles again  
So here we go, we try to explain  
Just find ourselves in circles again  
So, here I go again, even lucky girl get the blues  
But I'm loving this ride when I see full view  
And we're all here again, alone again  
CHORUS: And I'm falling inside, I'm wanting to escape  
this mess I'm in  
I'm wanting to, I'm falling inside, falling inside
