People hand in hand  
Future in the plan  
Promises we make  
Sometimes fade away  
Like footprints in the sand  
Love's a game of chance  
I've come to understand  
What my greatest fear is  
Someday you'll disappear  
Like footprints in the sand  
But life was meant to live  
And love was meant to give  
No-one ever said  
That you could depend  
On whispers to the wind  
Love's a game of chance  
I've come to understand  
What my greatest fear is  
Someday you'll disappear  
Like footprints in the sand  
So I will build my castle on the sea  
And pray that you'll come back to me  
And there I'll wait faithfully  
For your return, your return  
Love's a game of chance  
I've grown to understand  
Hope will keep you near  
She will reappear  
Like footprints in the sand  
In the sand, in the sand
