[Verse 1:]

I wanna take you home
To my place
Share my dreams and my fantasies
I can't wait
I wanna show you things
That you have never seen before
Girl I hear you crying
Crying out for more

[Chorus:]

Talk to me, talk to me
Am I doing this right?
Talk to me, talk to me
Are you feelin alright?
I've been waiting for this my whole life
And here you are tonight
I've been waiting for this my whole life
And I can see it in your eyes
Are you ready to stay up all night?
To see the morning light?
I've been waiting
And waiting
And waiting
My whole life...

[Verse 2:]

So now here we are
Dim the lights down low
Oh we can go fast
Or should I go slow?
I wanna kiss your lips
Is that okay?
I'm that guy, I'm that guy baby
You'll be callin' out my name
Sing it to me now

[Chorus:]

Talk to me, talk to me

Am I doing this right?
Talk to me, talk to me
Are u feelin alright? (Sing It)
I've been waiting for this my whole life
And here you are tonight (Here You Are Tonight)
I've been waiting for this my whole life
And I can see it in your eyes
Are you ready to stay up all night?
To see the morning light?
I've been waiting

And waiting
And waiting
My whole life...

[Bridge:]
I ..wanna cater to you
No... Nothin I wouldn't do
I tried to find words to say
I've never felt love in this way...
This way
I've been ready for this my whole life
Here you are tonight
(Here You Are Tonight)

I've been ready for this my whole life
And I can see it in your eyes (Girl Im Wait...Girl Im
Wait...Girl Im Waiting...)
Girl are you ready to stay up all night
To see the morning light

I've been waiting
And waiting...
And waiting

My whole life...
Will you be waiting...
my whole life...
