(Intro: Missy)

This is another Missy Elliot exclusive

[Verse 1: Missy]

I remember when yo ass was broke, so in love wit me

You were always at home, always talkin bout

"loan me this, loan me that, now gimme gimme"

And then ya got doe, and decide ya wanna leave

Gotta few chicks checkin for ya now, huh, you forgot
about me

(Ain't it funny)

[Chorus]

When ya man gets money

I bet you can't find him

But when he come home beggin

You can't deny him

Where he at when you need him?

(he's out lookin cute)

But when he need a few dollers

He know who to run to

[Verse 2]

We would go out, I had to pay for everything

I never had to worry about you fuckin 'round

You used to tell me "Yea I love ya, No one above ya"

Then I bought you clothes, I made ya look like a king

Then the girls started flirtin wit ya ass, huh, and you

forgot about me

(Ain't it funny)

[Chorus]

[Hook]

I'll be the one you runnin to

when yo pockets is low

And you outta cash flow

And the chicks don't want you no mo'

(Beat comes back in)

Be the one you runnin to
When you got no mo' gas
In those buses, catchin cabs
And the chicks don't see you no mo'

[Chorus]
