How can I say to you
I love somebody new
You were so good to me always

And when I see your eyes
I can't go on with lie
It breaks your heart
But I just can't hide it... oh no

(Chorus)

I~ I've been away too long
Now I just can't go on
I've been away too

I~ I've been away too long
No I can't be so strong
I've been away too long

Don't look that way to me
It's hurts you so I see
But I just can't go on with lie

I gave you all I have
So there is nothing left
I may be wrong
But I better go now ...oh no

(Chorus)
