George Benson
"Don't Let Me Be Lonely Tonight"

Do me wrong, do me right
Tell me lies but hold me tight
Save your goodbyes for the mornin' light
But don't let me be lonely tonight

Say goodbye and say hello
Sure enough good to see you, but it's time to go
But don't say yes, please don't say no
I don't want to be lonely tonight

Go away then, damn you, go on and do as you please
You ain't gonna see me gettin' down on my knees
I'm undecided and your heart's been divided
You've been turnin' my world upside down

Do me wrong, do me right, right now, baby
Go on and tell me lies but hold me tight
Save your goodbyes for the mornin' light
But don't let me be lonely tonight
I don't want to be lonely tonight
No, no, I don't wanna be lonely tonight

Go away then, damn you, go on and do as you please
You ain't gonna see me gettin' down on my knees
I'm undecided and your heart's been divided
You've been turnin' my world upside down

Do me wrong, do me right
Go on and tell me lies but hold, hold me tight
Save your goodbyes for the mornin' light
But don't let me be lonely tonight
No, no, I don't wanna be lonely tonight
No, no, no, I don't want to be lonely tonight
