I believe the children are our future
Teach them well and let them lead the way
Show them all the beauty they possess inside
Give them a sense of pride to make it easier
Let the children's laughter remind us of how it use to
be
Everybody's searching for a hero
People need someone to look up to
I never found anyone to fulfill my needs
A lonely place to be
So I learned to depend on me

Chorus:

I decided long ago, never to walk in anyone's shadow
If I fail, If I succeed
At least I live as I believe
No matter what they take from me
They can't take away my dignity
Because the greatest love of all
Is happening to me
I found the greatest love of all inside of me
The greatest love of all

Is easy to achieve
Learning to love yourself
It is the greatest love of all
I believe the children are our future
Teach them well and let them lead the way
Show them all the beauty they possess inside
Give them a sense of pride to make it easier
Let the children's laughter remind us how we use to be
Chorus
And if by chance that special place
That you've been dreaming of
Leads you to a lonely place
Find your strength in love
