Never Give Up On A Good Thing

George Benson

(Tom Shapiro/Michael Garvin)

"The George Benson Collection" Warner Brothers

Never give up on a good thing

Remember what makes you happy [Whoa, whoa]

Never give up on a good thing

If love is what you got, you've got a lot

Money's tight, he's workin' every night

It ain't easy to keep the flame alive

And when he finally comes home to ya

He's just too tired to do the things you want to

You can't help but wonder to yourself

How would it be with someone else

Just keep in mind, every storm ends in time

Love is forever, stay together

[Stay together] When you got something real

[Love forever] That you may never feel again

Never give up on a good thing

Remember what makes you happy [Whoa, whoa]

Never give up on a good thing

If love is what you got, you've got a lot

Now you're the man, you've got to understand

She don't mean to make a scene

Like you, she feels all the weight you're under

And when she breaks, is it any wonder

I know sometimes it crosses your mind

To get on out and stay hard to find

Before you try, you'd better look in her eyes

Love is forever, stay together

[Stay together] You've got something real

[Love forever] That you may never feel again

[You've got a lot]

[Stay together]

[Love forever]  
You've got something real  
That you may never feel again

Never give up on a good thing  
Remember what makes you happy [Oh, oh]  
Never give up on a good thing  
If love is what you got, you've got a lot

Don't give up your good thing  
Don't give it, oh, don't, oh, oh  
Don't give up your good thing  
Please don't, oh, don't  
Don't live it up, don't give it up

Never give up on a good thing  
Remember what makes you happy [Oh, oh]  
Never give up on a good thing  
If love is what you got, you've got a lot

Never give up on a good thing [Oh, he's all you need]  
Remember what makes you happy [Whoa, whoa]  
Never give up on a good thing  
If love is what you got, you've got a lot

Never give up on a good thing [Oh, he's all you need]  
Remember what makes you happy [Whoa, oh]  
Never give up on a good thing
