I been workin' my job like a dog all week,
Tryin' ta make a livin tryin' ta make ends meet,
Bringin' home the bacon for the family,
But every now and then all the boys and me,
We get a little restless when the Friday sun goes down,
So if you're like me, set your horses free, and let that
cowboy out,

Chorus:

Saddle up, we'll ride in to town,
Find ourselves a party with a, party crowd,
Saddle up, stay up all night,
Howlin' at the moon, shootin' out the lights,
There's no time to rest in the wild wild west,
So if you wanna ride with meee, saddle up, saddle up

There ain't nothin' better than swingin' doors,
Pair of old boots on a sawdust floor,
Stompin out of rhythm everybody gettin' loud,
So if you're like me, set your horses free,
And let that cowboy out

Saddle up, we'll ride in to town,
Find ourselves a party with a, party crowd,
Saddle up, stay up all night,
Howlin' at the moon, shootin' out the lights,
There's no time to rest in the wild wild west,
So if you wanna ride with meee, saddle up, aww saddle
up

Well lets lay it on the line there's no time to waste,
'Cause out here baby it's the wild wild west

Saddle up, ride in to town,
Find ourselves a party with a, party crowd,
Saddle up, stay up all night,
Howlin' at the moon, shootin' out the lights,
There's no time to rest in the wild wild west,
So if you wanna ride with meee,
Saddle up, saddle up, oh saddle up, aww saddle up
