Angel  
Come to me, let me be  
Part of all the love you are

'Cause angel  
We could fly, you and I  
Ride a rainbow to the stars

So hold me, all through the night  
Stay till the day is bright  
And Angel don't ever break the spell  
'Cause you're the star of a story, I'll always tell

Angel  
Used to say, yesterday  
Love was only in a dream

But angel  
I was wrong, all along  
Just took you to make me see

So hold me, all through the night  
Stay till the day is bright  
And angel don't ever break the spell  
Cause you're the star of a story, I love so well

So hold me, all through the night  
Stay till the day is bright  
And angel don't ever break the spell  
'Cause you're the star of a story, I'll always tell

'Cause you're the star of a story, I love so well  
'Cause you're the star of a story, I'll always tell  
'Cause you're the star of a story, I'll always tell
