Well, a long time forgotten
Dreams have just fell by the way
And the good life he promised
Ain't what she's living today

But she never complains of the bad times
Or bad things he's done
She just talks about the good times they've had
And all the good times to come

She's a good hearted woman
In love with a good timin' man
She loves him in spite of his wicked ways
She don't understand

Through teardrops and laughter
They'll pass through this world hand in hand
She's a good hearted woman
Loving a good timin' man

He likes the bright light, the night life
And good timin' friends
When the party's all over
She'll welcome him back home again

She don't understand him
But she does the best that she can
This good hearted woman
Lovin' a good timin' man

She's a good hearted woman
In love with a good timin' man
She loves him in spite of his wicked ways
She don't understand

Through teardrops and laughter
They'll pass through this world hand in hand
She's a good hearted woman
Loving a good timin' man

She's a good hearted woman
Loving a good timin' man
