Well she gave him the last chance  
for the hundreth time again  
and he hears the words she said  
but he can't let the truth sink in  
it won't sink in  
You think he woulda learned by now  
no one ever showed him how

We fly, we fall, we run  
we crawl, we laugh, we cry  
can't stay alive between the lone  
and goodbye  
so we win some, we lose some  
we lonesome

She looks out her window  
at the thousand souls below  
how easy it would be  
to close her eyes and just let go  
just let go  
you think we woulda learned by now  
it's not like no one showed us how

We fly, we fall, we run  
we crawl, we laugh, we cry  
can't stay alive between the lone  
and goodbye  
so we win some, we lose some  
we lonesome

We fly, we fall, we run  
we crawl, we laugh, we cry  
can't stay alive between the lone  
and goodbye  
so we win some, we lose some  
we lonesome

We fly  
(lonesome)  
We fly  
(lonesome)
