You placed gold on my finger
You brought love like I've never known
You gave life to our children
And to me, a reason to go on.

Chorus:

You're my bread when I'm hungry
You're my shelter from troubled winds
You're my anchor in life's ocean
But most of all, you're my best friend

When I need hope and inspiration
You're always strong when I'm tired and weak
I could search this whole world over
You'd still be everything that I need.

Repeat Chorus twice
