nobody thinks about that stuff
how tall he mite of bin
or how fast he coulda run
they just stare as he rolls by
all they see is a helpless kid
with no chance to live a life
but if they only new

hes got a dreams of breakin ribbons
in a hundred yard dash
climbing up a snow capped mountain
plantin his flag
he believes one day he'll stand up
walk away from that chair
he got faith he got hope
and all his mammas prayers
hes not cheated, bitter,
or even give it up for the quitters

doctors say no way he'll walk
he just smiles and says
im gonna prove you wrong
lots of falls
and failed attempts
hes legs keep givin out
but his heart aint givin in
cuz what they dont know

hes got a dreams of breakin ribbons
in a hundred yard dash
wishin earnheart down a back stretch
in a daytona grab
he believes one day
he'll stand up
walk away from that chair
he got faith he got hope
and all his mammas prayers
hes not cheated, bitter,
or even give it up for the quitters

pulls himself up on the bars

takes a long deep breath
lifts his right foot
off the mat
with all that hes has left
he takes a step,one step

towards that dream of breakin ribbons
in a hundred yard dash
goin long for a touchdown
with his buddies out back
hes believes one day he'll stand up
walk from that chair
he got faith he got hope
and all his mammas prayers
hes not cheated, bitter,
or even give it up for the quitters

for the quitters
aint no quitter
