I Believe in Life, love and true pursuit of happiness  
No ones gunna tell me that a smiles' ever meaningless  
I find a drop of hope when the rain falls down  
Even when the clouds are insisting on sticking around

I believe in holding on tight to your innocence  
Taking leaps of faith when it doesn't even make sense  
Don't wanna be a tear on a circus clown  
I wanna laugh like a kid on the play ground

Baby come on lets go for a ride,  
I know a road that'll change your mind  
Look what it's done to this heart of mine  
I'm an absolute dedicated follower of Sunshine

I used to be a slave to the ways of the shades of gray  
Addicted to the weight of a ball and chain  
Everybody telling me to cut it loose  
Then I looked up to the sky and saw something I could  
use

A little bit of prayer a little bit of inspiration

A little something different like a new vibration  
Shook me up like a leaf in a hurricane  
Woke me up like a fall from an air plane

Baby come on lets go for a ride  
I know a road that'll change your mind  
Look what it's done to this heart of mine  
I'm an absolute dedicated follower of sunshine

Yeah-eah  
Oo-oo

Baby come on lets go for a ride  
I know a road that'll change your mind  
Look what it's done to this heart of mine  
I'm an absolute dedicated follower of sunshine

I Believe in Life, love and true pursuit of happiness  
(Absolute dedicated follower of sunshine)

Absolute dedicated follower of sunshine  
(Absolute dedicated follower of sunshine)
