I was raised in the hood called what the dif? what the..  
The brothers in the hood be Chivalrous  
So i rest defense on my ligaments  
Pistol grip pump on my lap, riskin it  
Full life living it, never giving it back  
Too late for slipping, so slack...up  
On my lap its on your lips so track shot  
A steel dick more clip for pump but  
All im saying there aint no question who the man is  
In my civic or in this showbiz  
I shit a fool, kill the fool  
Come on what you say?  
i think i can take care of all you muthafuckaz don't  
delay right away

Pistol grip pump on my lap at all times...  
Pistol grip pump on my lap at all times...  
Pistol grip pump on my lap at all times...  
Fools be jackin' other fools, but they ain't be jackin  
mine!

Pistol grip pump on my lap at all times, right?  
Cause tricks be out for your blind side  
Never understood it, but remember i showed you  
That in the nineties you gotta look over your shoulder,  
strap  
Well that ain't nothin' but the intent of gettin high  
And a cop giving you shit for just passing you by  
If your ever in trouble or on the double best to call your  
pals  
If you ain't got none, bitch, I got a million styles!  
Whose around me?  
Are we getting along? we family, we better be  
We got your back, we got your back kid  
Just dont be pointing one of them guns, aiight man...

Pistol grip pump on my lap at all times...  
Pistol grip pump on my lap at all times...  
Pistol grip pump on my lap at all times...  
Fools be jackin' other fools, but they ain't be jackin  
mine!

Pistol grip pump on my lap at all times...  
Pistol grip pump on my lap at all times...  
Pistol grip pump on my lap at all times...  
Fools be jackin' other fools, but they ain't be jackin'  
mine!

Rhymin' iz a sinch, sonavabitch, I'm rich!  
But that don't mean you can get me, cuz all my peoplez  
is pimps!  
Playaz, hustlaz, pimpz, all been through the filter...  
I hang wit' my doggz man, fuck a gorilla  
Iller, coddaba, hilla, bings...  
Show me have a enough steam, to blow me up, run up,  
what up, shutup!  
A trick get the buck-shotz  
Your daughter get the luv, a lot, yer outtie, at the  
cemetary...  
Man, she loves me, and not a single solitary, witness,  
to the party  
And if you didn't know, should've asked somebody...  
Pistol grip pump on my lap at all times!!!

Pistol grip pump on my lap at all times...  
Pistol grip pump on my lap at all times...  
Pistol grip pump on my lap at all times...  
Fools be jackin' other fools, but they ain't be jackin'  
mine!  
Pistol grip pump on my lap at all times...  
Pistol grip pump on my lap at all times...  
Pistol grip pump on my lap at all times...  
Fools be jackin' other fools, but they ain't be jackin'  
mine!

Pistol grip pump  
Pistol grip pump  
Pistol grip pump  
Yeah...  
Pistol grip pump  
Pistol grip pump  
Pistol grip pump  
Ay man, Ay...
