Hmm!  
Yeah!  
Oh, yeah!

On guard!  
Defend yourself!  
Movin' right on you, baby!  
On guard!  
Defend yourself!  
Down to get down, (down!) baby

Turn me loose  
We shall overcome  
Where did you get that funk from, huh?

Turn me on  
They're spoiling the fun  
Let's shoot them with the bop gun

On guard!  
Defend yourself!  
Movin' right around, (hey baby)  
We got to get over the hump  
We got to get over the hump  
We got to get over the hump  
We got to get over the hump  
On guard!  
Defend yourself!  
Bound to get down, baby (hey!)

Turn me loose  
Let me shoot them with the bop gun, ha, hmm

Endangered species  
Endangered species  
Endangered species  
Let me shoot them with the bop gun  
Endangered species  
Endangered species  
Endangered species  
Endangered species

We got to get over the hump  
We got to get over the hump  
We got to get over the hump  
We got to get over the hump

When the syndrome is around (on guard!)  
Don't let your guard down  
All you've got to do is  
Call on the funk, ohhh

On guard!  
Defend yourself!  
We shall overcome  
Where did you get that funk from?  
They're spoiling the fun  
Shoot them with the bop gun  
Ohh, hey baby  
On guard!  
Protect yourself!  
Movin' in on you, baby  
I don't think you hear me  
I said they're spoiling the fun  
We shall overcome  
We got to shoot them with the bop gun  
Hey, babe  
Bound to get down  
Closing in on you

When the syndrome is around  
Don't let your guard down  
All you got to do is  
Call on the funk (moving in on you, baby)

To dance is a protection  
Funk is your connection  
All you got to do is  
Funk and dance

On guard!  
Protect yourself!  
On guard!  
Defend yourself!

Endangered species  
Endangered species  
Endangered species  
Endangered species  
Endangered species  
Shoot them with the bop gun  
Endangered species

Endangered species  
Endangered species  
Endangered species  
Endangered species  
Endangered species  
Endangered species  
You got to shoot them with the bop gun  
Endangered species  
Endangered species  
Endangered species  
Endangered species  
Endangered species  
Endangered species  
You got to shoot them with the bop gun

When the syndrome is around  
Don't let your guard down  
All you've got to do is  
Call on the funk

On guard!  
Defend yourself!  
Movin' in on you  
Turn me loose  
We shall overcome  
Where'd you get that funk from, huh?  
I still said they're spoiling the fun  
Shoot them with my bop gun  
Hey, babe  
Turn me loose, huh  
Watch me get over the hump, ha!  
Hey, babe

I got to get over the hump (x10) (we got to get on by the hump)  
On guard!  
Hey babe  
I got to get over the hump (x4) (got to get on by the hump)  
On guard!  
I got to get over the hump  
Watch me, I'm gonna shoot them with my bop gun  
I got to get over the hump (x8) (I got to get on by the hump, hey baby)  
On guard!  
Ooh  
I got to get over the hump (x9) (I got to get on by the hump)  
On guard!  
Shoot them with my bop gun  
I got to get over the hump (x9)

Hey babe, hey babe, ohh!  
On guard!  
Defend yourself  
I'm gonna shoot them with my bop gun  
I got to get over the hump (x8)  
Watch me
