Many a tear has to fall  
But it's all in the game  
All in the wonderful game  
That we know as love  
You have words, you have words with him  
And your future's looking dim  
But these things your heart can rise, rise above (oh  
yeah)  
Once in a while he won't call (mhm)  
But it's all in the game  
Soon he'll be there at your side  
With a sweet, with a sweet bouquet (with a sweet  
bouquet)  
Then he'll kiss your lips  
And caress your waiting fingertips  
And your heart, your heart's gotta fly, fly away  
Come on, sing it now  
Di-di-di-dip  
Di-di-di-dip  
Oh yeah  
Then he'll kiss your lips  
And caress your waiting fingertips  
And your heart will fly away  
It's all in the game  
Game called love  
(All in the game they call love)  
All in the game  
Game called love
