Don't touch that radio {*3X*}

Don't touch that dialllllllll!

[repeat 2X]

Like Planet Rock, we just don't stop

We drive you on the flo'

Don't touch that radio {*3X*}
Don't touch that knooooob! {*3X*}
Hah hah hahhh

Living radio, where sounds are seen
Calling out around the world
Are you ready for a brand new beat?
Ooooh, sugar pie, honey bunch
You know that I love you

Certain things rearrange
And the world, puts on, a new face
Oooh-oooh-oooh-oooh-oha-ohh-ohh-ohh

[repeat 2X]
Like Planet Rock, we just don't stop
We're gonna drive you nuts

Don't touch that radio {*2X*}
Don't touch that knooooob-AH!!

They drive you up the wall (don't touch that knob)
We drive you on the flo'
They drive you up the wall (don't touch that knob)
We drive you on the flo'
They drive you up the wall (don't touch the knob)
We'll drive you on the flo'

Thank you, thank you, thank you!
92, J-D-U, we keep turnin you on, keep turnin you on
We, keep you turnin you on

[George Clinton]
Here's my chance, to disc my way...
Out of my constrictions
Uh-huh, AHH-HAH~!
Feet don't fail me now
Can I get it on the good foot, GOOD GOD!

[repeat 8X]
More bounce, to the ounce

Get on the danceflo' baby, heyyy!
Give it up, more bounce, to the ounce

[repeat 2X]
Like Planet Rock, we just don't stop
We're gonna drive you nuts

We gonna drive you nuts {*2X*}

[repeat 5X]
Like Planet Rock, we just don't stop
We're gonna drive you nuts

Like Planet Rock, we just don't stop
We're gonna drive y'all nuts
W-E-F-U-N-K, we FUNK
Where we get on your good note

Baby love, my baby love!
I miss you, oooh long to kiss you love!
Baby baby baby!
You need...

Unless you wanna get on your knees, throw down
{*4X*}

[repeat 2X]
They drive you up the wall
We drive you on the flo'

That radio

Ah don't touch that KNOB!!!
Don't touch them knobs

[repeat 2X]
Like Planet Rock, we just don't stop
We're gonna drive you nuts

[repeat 3X to fade]
Do doo doo doo doo, DOG!!
