[George Clinton]  
Uh-huh, AHH HAH! OH YES~!  
Treat me bad, and I'll take it  
Throw your ball I'll run and chase it  
Fetch you the newwwwspaper  
Treat me good, I'll do you tricks  
I'm in need I'll catch a fix  
Love me 'til I'm in your favor

I said a dog is man's best friend!  
I said a dog is girl's best friend!

Oh a fox, can be foxy  
And brother wolf, he's the guy  
Shootin straight through the woods and ate, grandma  
But a dog is a dog  
Is a dog is a dog  
Unlike the wolf who'd make a widow out of grandpa  
I'm liable to save a life to you baby when you're lost out  
in the snow  
I'll be like Santa Claus, so don't be dissin  
Say you sho' can use some snow  
Provin dog is man's best friend

Ohh milkbones for milk y'all  
Make me stick my nose in there  
And see who do I smell, ahahahaha!

Oooh! Uh-huh, uh-huh, AHH HAH YEAH~!  
Pat my back, pat my back  
Pat my back, I'm contented  
Watch my tail and I will wag it  
Fetch you the newwwwspaper  
Extend your hand and I will lick it  
Throw the stick I'll run and get it  
For just a bone I'll be forever in your favor  
Just let me go in the yard!

[repeat 2X]  
A dog is man's best friend  
A dog is girl's best friend

And don't forget puppy love!  
And remember, my bite is rough  
Much worse than my bark  
Ass patrol the dark, woof!  
Tear the roof off!

{\*long instrumental solo\*}

Dog, is man's best friend, HIS BEST FRIEND!  
Dog is a woman's best friend  
I said dog, is man's best friend

[George Clinton]  
Extend your hand and I will lick it  
Toss the stick I'll run and get it  
Just a bone I'll be forever in your favor  
Standing dog in the yard, GUARRRD~!

[repeat 2X]  
Oh we keep turnin ya on, keep turnin ya on  
We, keep turnin ya on

Hey hey, OWWWWWWWWWW!

{\*transitions into Loopzilla\*}
