"Born To Love"

You walk into my life
And change the balance of my days
With your eyes you say
I'm yours and you are mine

But still, something's very wrong
No I can't just go along
Though you want to stay
I must find a reason to delay

*

We're not the same
You playing game, I know
But If I keep my feeling strong
I'll find the song you sing
Though I can tell we're worlds apart
And in my heart it's clear
That love has found a cloudy day
I'm here to say that I
was born to love you (more)

Such a lovely face
With a warm and tender smile
Though I want you so
Found in deep inside keep saying

Don't trust your heart this time
Could my mind be playing games
Am I so betrayed that my heart and mind
Can never be the same
