You told me, I was all you'd ever need  
You said my love, would always be enough  
Your scarlet kisses on my skin  
Fooled me till the end

Every single word you said, every drop dead shade of  
red  
Were just lipstick promises was I easy to deceive?  
You were so easy to believe I fell for your every kiss  
And your lipstick promises

Since you've gone, I see where I went wrong  
All your lies, somehow left me blind  
What you said would last so long  
Was only painted on

Every single word you said, every drop dead shade of  
red  
Were just lipstick promises was I easy to deceive  
You were so easy to believe I fell for your every kiss  
And your lipstick promises

Was I easy to deceive?  
You were so easy to believe I fell for your every kiss  
And your lipstick promises

Every single word you said, every drop dead shade of  
red  
Were just lipstick promises  
Just lipstick promises
