I might as well just talk to the walls  
Cause lately you act like I ain't here at all  
You look right through me and I don't understand  
I might as well be the invisible man  
I wisper your name you pretend not to hear  
The look in your eyes says I've dissapeared  
You don't move a finger when I reach for your hand  
When did I become the invisible man  
I'm real flesh and bones these are real tears that fall  
It's a real heart you're breaking can't you see that at all

You don't have to tell me I see right where I stand  
In your eyes I'm only the invisible man  
[ guitar - piano ]  
I feel like a shadow of the man I once was  
A vanishing picture of a once perfect love  
It's crystal clear I see just who I am  
I'll never be more than your invisible man  
I'm real flesh and bones...  
You don't have to tell me...
